Why we're offering the PSAT 8/9

Body:

As part of our college and career readiness efforts at **[Insert School Name]**, we strive to set all students up for success. That's why we're offering the [PSAT™ 8/9](#)—the first test in the SAT® Suite of Assessments—to our **[insert grade]** students. Results from the PSAT 8/9 help us establish a baseline for each student as they start their high school journey. The results help us focus classroom instruction and support our students' growth.

Taking the PSAT 8/9 can also help our students to:

- Know where they are and where they want to go.
- Find out what AP® courses they're ready to take.
- Explore college and career options.

This **[fall/spring]**, the PSAT 8/9 will be administered in a new digital format that will provide an overall easier testing experience for students. [Watch this video](#) to see what students can expect with the digital PSAT 8/9.

Our students will take the PSAT 8/9 on **[date or range of dates]** using **[their own school-issued device or on a device provided to them that day]** and scores will be available mid-November.
